## Summary

I'm a professional motivated to always offer the best of myself, with dedication to what I do and looking for learning in every situation. Organized, creative and able to work as part of a team and easily adapt to different contexts, I am focused on improving my skills as a UI/UX Designer with every experience. My goal is to apply these skills to collaborate effectively with the company, contributing innovative and effective solutions, while at the same time continuing to evolve professionally in the field.
